

Weddings at Birkdale Golf Club

Whether you are looking to host a memorable wedding reception, a successful charity luncheon or a private party for close family and friends, Birkdale Golf Club is the ideal choice. Spectacular golf course views; exceptional service; fabulous, flavorful cuisine; and meticulous attention to detail are just the start of the outstanding extras Birkdale offers. While you will find our hors d'oeuvre and dinner selections listed in this package, the team at Birkdale is happy to work with you to customize your perfect menu at the perfect price.

As part of being a full service reception hall, our staff will help you take care of every possible detail. We can recommend a quality photographer, band, DJ, cake designer and whatever else you might need.

Meal service, beverage service, and the timing of your special event can influence package pricing, so please let us know what you would like and we can make it a reality. Any food or beverage purchase will carry a gratuity of 21% and a 5% Virginia sales tax. In order to prepare adequately for you and your guests, please remember to confirm your minimum final count no later than 7 days before your event. Should your actual number increase within 7 days; our team will do its best to accommodate your additional guests. Should your number decrease within 7 days, your guaranteed number remains your billable number.

To schedule a tour of the club or reserve a date for your next event, call our Banquet Sales Office at 804-739-5247. For more information go to www.birkdalegolf.com
